Lower Dauphin Sweethearts

To our knowledge Lower Dauphin High School is the only high school in the United States to acknowledge what we call Lower Dauphin Sweethearts, graduates of LDHS who have married other graduates of LDHS, not necessarily their own classmates. This list was started by Wade Seibert several years ago when a Show Case tribute for Valentine's Day was staged with vases of flowers and the names of alumni sweethearts. This database has been continued by the Alumni Association with the help of those who notify us to add their names. It has generated a good deal of interest and will be continued so long as you keep us informed. *Italics indicate deceased.*

Please let us know if YOUR NAMES should be added to this list and if we have you listed in error. Thank you. Email ldalumni@ldsd.org
